QUICK ACCESS	INSIDE THIS EDITION
What changed?	New fixtures, venue updates and published entry dates.
National dates / queries	Three conflicting national dates are shown openly, not treated as settled.
How to use this calendar	Submission channels, source differences and booking cautions.
Official SSA appendix	Complete two-page national / international calendar, including the 2028 outlook.

Before booking: This is a planning guide, not a club attendance commitment. A newer regional workbook does not resolve a conflicting national schedule. Check the event page and coaches for final dates and earlier club deadlines.

USE THE CALENDAR WITH CONFIDENCE

One clear planning guide, with source differences kept visible.

WHAT TO KNOW	HOW THIS EDITION HANDLES IT
Source hierarchy	The main combined sheet dated **9 Nov 2026** supplies the 91 local listings. Existing explicit SSA v5 / 29 Oct national details are retained. Conflicting WCA national dates are displayed alongside them, not silently discarded.
District tabs differ	Older district tabs remain inconsistent with the combined sheet: e.g. District B venue, some junior-league venues, and national dates. They have not been merged into duplicate events or used to override the updated combined sheet.
Dates and booking	Three national date queries appear on page 3 and in the monthly rows. Do not commit travel on a disputed fixture without federation / coach confirmation. SSA Schools dates and certain venues remain provisional.
Submission deadlines	CTA, District, WCA and SSA columns identify different submission stages. Cybersmart internal cut-offs can be earlier. Youth and Senior SSA entry dates conflict between sources and are flagged.
Unexplained codes	The combined sheet adds **M** to District A, District B, Wendy Way and Level 1. No key defines it, so no course, eligibility or other meaning is inferred. **UWCA** is retained as the workbook venue label for UWC.
Existing eligibility caution	SSA v5 rule 4.9.7 refers to a 20 Mar Youth start, while its actual 2027 programme starts 22 Mar. Age-17 SANJ concessions need SSA clarification; this calendar does not resolve eligibility.
Scope and updates	The final two pages reproduce the full SSA calendar dated 29 Oct 2026, including national / international events and the 2028 outlook. No local 2027/2028 season dates have been invented.
