Gala Participation Guidelines

Eligibility

Only registered swimmers can participate in galas.

- Your account must be in good standing (no overdue invoices).
- At least one parent must be registered as a timekeeper.

Gala Calendar

The gala calendar is available:

<https://www.cybersmartaquatics.com/downloads> . Note that CTA, WCA, and Swim SA may change the calendar on short notice.

- Cybersmart Aquatics coaches decide which meets we will attend and handle entries for the swimmers.
- Before each gala, a Telegram group will be created for all eligible parents and swimmers. All relevant information, entries, and timekeeper details will be communicated in this group.

Gala Participation

- If you do not want your child to swim in a particular gala, send a message in the Telegram group: “Please scratch my daughter, Suzy,” and exit the group. This must be done before invoicing to avoid any costs.
- Once invoiced, you are liable for the gala fee, even if you later withdraw.

Payment

Please check the due date on the gala invoice. Non-payment or late payment will result in your child being unable to participate in the meet.

Club Gear

According to CTA and WCA rules, only club gear is allowed at galas. Using a Cybersmart swim cap is compulsory for warm-ups and races. Keep your Cybersmart kit updated:

<https://shop.cybersmartaquatics.com> .

Contact Us

For any questions or issues, please contact us at swim@cybersmartaquatics.com.

We look forward to seeing you racing!

Yours in Swimming,
